2025 VOLUME I

# Embrace Imperfection

## BEAUTY BY NATURE

Awaken the senses with the look and feel of natural and artisanal textures. From honed stone to deep wood grains, root your space in the beauty of organic materials.

Wabi-sabi (侘び寂び): world view centered on the acceptance of transience and imperfection.

# Triple Take on Design

Metallic accents become the inspiration for a multi-faceted kitchen design. These strong styles are anchored by the beauty of coordinating natural elements, like warm wood tones and rich stone looks.

## Chrome

The lustrous sheen reflects modern and industrious style with fresh white oak and contemporary stone.

# More Than Meets the Eye

## PERFORMANCE FLOORING

Performance flooring is a reliable choice for busy households. Hybrid resilient, vinyl, and laminate flooring benefit your space in more ways than one, with style and durability at the forefront.

Waterproof technology prevents damage from standing water and moisture.

Built-in underlayment improves sound, comfort, and allergen-resistance.

Interlocking planks are DIY friendly and require no acclimation time.

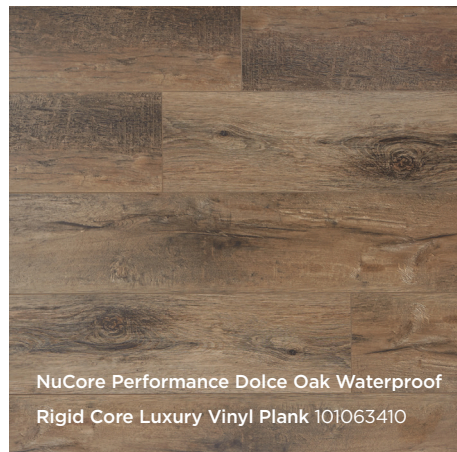

Each brand is backed by a lifetime residential warranty.

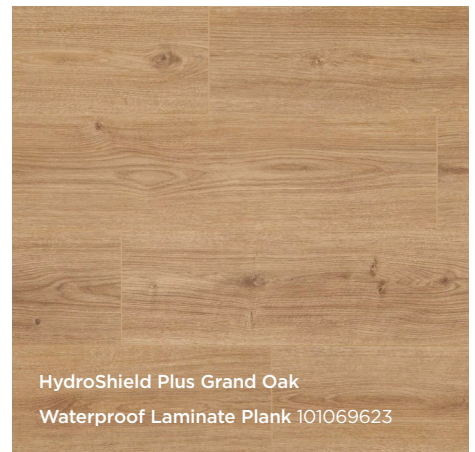

Our floors are GreenGuard Gold certified, meaning low VOCs.

Innovation is built to last, with premium protection against daily wear — say goodbye to dents, scratches, and stains.
